February 2022 Prayer Letter

Michael Turner:

For the past 6 months, we have had an intern here in Burkina named Michael. Michael, as part of his Bible college, had to spend 6 months on the mission field for experience and training. Michael has worked on learning French, with the children ministries, and with various ministries at our church plant. This week he will be going back to the states. **Pray that God will give clarity as Michael seeks God's will for where he should serve on the mission field.**

Family Update:

The people of Burkina Faso overthrew their president and installed a new military leader as commander last month. Despite gunshots being heard throughout the city, there were **no reports of deaths during the coup**. Despite the overthrow of the president, life has been pretty normal for us and our ministry, we have been busy. Thank you to all those who reached out and prayed for our safety. God has been taking care of our family.

Record attendance:

This month we held a special event at our church where we reviewed the calendar for the year and laid out a plan to kick off several new ministries. It was a special day for our church of prayer and planning. **We also had our largest attendance yet for an adult service!** It is exciting to see how God is blessing our church plant. Please pray that we would be able to see more souls saved as we work to see this community reached with the Gospel.

Prayer Requests:

- Pray for the church plant, Victory Baptist church of Zinguedesse
- Pray for our family to stay safe and the stability of Burkina Faso
- Pray for Michael Turner as he travels back to the States
