March 2022 Prayer Letter

Revival services:

Last month, Keith Shumaker brought Bro. Mark Stroud along with Bro. Matt Stevens here to Burkina to preach revival services in different churches. Our church had the privilege to participate in a couple of the services. God worked in a mighty way in the lives of not only our church members but also of others throughout the conference. The preaching was motivating and encouraging, we were grateful to take part in these services.

Over the past few months, we have been very encouraged by the growth of our new church plant. We are still working each week to evangelize our area and see more souls saved. **This month we will be having another evangelism campaign where we will put out loudspeakers and have a gospel film projection along with preaching.** Pray that God will use this to allow us to see more come to Christ and join our church.

Ministry Update:

Soccer Tournament:

This month we held a soccer tournament for the teens and kids in the area of our church plant. We were not sure how it would go since we had never done that before but **we were excited to see around 150 kids and teens show up to play soccer.** We divided the kids into teams and played a few matches then paused for a gospel message before finishing the tournament. Since it was such a success, we decided to start having these tournaments once a month. We are hoping to use these soccer matches as a way to see souls saved.

Prayer Requests:

- Pray for the church plant, Victory Baptist church of Zinguedesse
- Pray for our family to stay safe and the stability of Burkina Faso
- Pray for us to see souls saved during the next soccer tournament
