November 2022 Prayer Letter

Church Update:

We recently started a personal evangelism class that meets Sundays after the services. The class requires participants to memorize 15 verses and teaches how to walk someone through the plan of salvation. **Many from the church signed up and we have people working through the material in both French and Moore.** We are working to equip more workers from our church to share the gospel.

The church has really started to take form. **We have had visitors regularly as well as seeing more involvement from faithful members.** We are very excited about the future of Victory Baptist Church of Zinguedesse. We have started meeting in our building and hope to be able to pour the concrete floor soon.

Personal Evangelism Class:

Arnaud and George have officially started Bible College and they are doing great. They have been diligent in their studies and have really been working hard around the church to see things advance. Pray for these young men as they prepare for the calling God has placed on their lives. The picture on the bottom is of a man named Emile and his wife. We have been visiting them for over 6 months and praying for their salvation. They have finally decided to place their faith in Christ! Emile has been at every church service since with his family and is growing in his faith. It has been hard for their family since they are leaving Islam and have been facing some persecution but they have been completely faithful.

Exciting news:
