Evangelism:

April and May are typically the hottest months of the year in Burkina Faso. Since the daily temps are 105°F, sometimes even hotter, we found fewer people than normal at home for our door-to-door soul-winning. So we have been **setting up a tent on the side of the road passing out free cold water along with gospel tracts** and inviting people to church. We have already seen some fruit and had a new family join our church.

Our Church is continuing to grow both spiritually and numerically. In the picture on the left are **2 young people that recently made a profession of faith.** We have also made great progress in the faithfulness and punctuality of many of our church members. Pray that God would help us to properly disciple those who get saved.

Church update:

On Easter, we had a very special service at our church. **We had several first-time visitors as well as 12 people baptized that have been saved at our church** over the last few months. Many of the church members worked hard to plan, cook, clean, and prepare for the big day. One of the visitors, after the service, asked how they could be saved. One of the members shared the gospel with them, and they made a profession of faith. It is exciting to see all that the Lord is doing in our church. We are already planning another baptism service for June as we have another 10 candidates for baptism.

Baptisms!

Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for our church as we strive to reach our community with the gospel
- Pray for those who were baptized as they strive to live out their
