

CHURCH PLANTING MISSIONARIES IN BURKINA FASO, WEST AFRICA

September 2023 Prayer Letter

Family Update:

Our family is doing well thank you so much for all those who have been praying for our safety. Parker turned 5 in August. Both the kids are growing like weeds and doing well. They will be starting back school this month. Last month the whole family got typhoid fever but we have all completely recovered and are doing much better now.

We have been diligently working to strengthen our soul-winning ministry at our church plant. Every Saturday morning, we spend about 3 hours going door to door in our community, inviting people to church and evangelize. We usually have about 15 people that come to help each week. **We now have 6 people who are fully trained to share the gospel** and are working to train the others.

Soul Winning:

Bro Keith Shumaker has been working extremely hard to get his Base Camp project ready to host camp this year. This project will be used for camps, conferences, Bible college, and Pastor training. Bro Keith was able to get the girl's dorms done just in time for camp. This year we were able to hold 2 different camps. The first one was for college and career-age young people over 18, and the second camp was for those 13-17. Our church was able to bring a good group to both camps. **We had one teen from our church accept Christ as his Savoir and many others make decisions for the Lord.** God really helped and blessed this year's camps!

Teen Camp:

Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for those teens who made decisions for the Lord
- Pray for stability in the region in West Africa so that we are able to continue to work to see churches planted
