

CHURCH PLANTING MISSIONARIES IN BURKINA FASO, WEST AFRICA

February 2024 Prayer Letter

Church update:

The church is doing well and growing steadily. We are excited about all that the Lord has done and all that He has in store for us. We have had visitors on a regular basis. There are many new members that need to be discipled and taught the Bible. It's a great problem to have but there is a lot of work to do. We are starting a new members course at the church and we are very excited about the Lord continuing to add to His church.

Revival services:

Earlier in February Bro Keith Shumaker invited a few preachers from the States to preach a revival for him here In Burkina. Our church was able to participate and it was a wonderful time of spiritual renewal and recharge to the work that is ahead of us. We had the privilege of having Bro Adam Borden preach for us at our church one Sunday morning and he was a great encouragement to our people.

Family visit:

Ashley's parents were able to visit and spend a few days with us here in Burkina last month. They had a great time visiting their grandkids and seeing the work here. I would like to ask for special prayer for my mother-in-law, she was diagnosed with cancer this month and is already stage 3. They immediately started Chemo and radiation treatments. Please pray for her as she starts her treatments and pray God would heal her and give the doctors wisdom on how to proceed.

Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for God to continue to call new laborers into his harvest
- Pray for my mother-in-law Melissa as she starts cancer treatment
