### Summer Plans:

Last month we had many people from the church go down with sicknesses and injuries. We had several people hospitalized with different injuries and problems. One of the men of the church died from a stroke unexpectedly. On the way back from the funeral I got a call about one of the other men in the church that was in a serious accident where he broke his collar bone and needed surgery. Please pray for everyone to stay healthy.

Summer is always a busy time for us here in Burkina Faso. **We have kids VBS, young adult camp, teen camp, and several evangelism events planned in the months ahead.** Since kids and teens are out of school we try to plan a lot of activities for them. We pray that God would allow us to Reach people with the Gospel and that we would make the most of the time that we have over the summer months.

### Church update:

### Mozambique:

Last month we took a short trip to Mozambique to help Gabriel as he is praying about where God might call him to serve. During our trip, we were able to visit with the Clower family who just arrived to the field, Noah Wilkerson who is working in South Africa until he can move, and 2 existing churches in Mozambique. **The country has a great need for laborers and a wide-open door to the gospel.** It was very encouraging to see what the Lord is doing but the trip served as an important reminder of how many people are lost without a gospel preaching church near them. Pray that God would send laborers to this needy field.

### Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for our members who are dealing with sickness and injury
- Pray that God would send laborers to Mozambique
