Church update:

God is greatly working here in Burkina Faso! He is still saving souls. This past month we have had 4 people make professions of faith, including the mother of one of the church members that we have been praying for her to get saved since the beginning of the year. We are really excited about what the Lord is doing and for all those who have made professions of faith. Please pray for our church as we work to implement a more structured discipleship program for the whole church.

Upcoming wedding:

George is one of the young men in our church who is training for ministry. George met his future wife Judith last year at the year teen and young adults camp and about a year later they are officially engaged. Please pray for this young couple as they plan to get married around the end of the year. They are excited about getting married and serving the Lord together.

New Church Plant:

Last month Pastor Mike Barnette and a team from McLeansville Baptist Church came to help us **kick off our new church plant in Kombissiri.** During their time here we were able to build the hangar, host an evangelism campaign, pass out a lot of tracts and invitations, and kick off the church plant. God has blessed already and we have seen many small details work out for the start of this new church plant. I ask that you pray for the remaining funds we need to purchase the property, we were able to make the first 2 payments to get started but we still need around \$16000 to finish paying off the land.

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for the community of Kombissiri to be reached with the gospel
- Pray for George and Judith as they prepare for their wedding
