### New Church Plant:

We have several men whom God has called into the ministry out of our church who are in training. Last month we had a retreat for them and their families where they were taught on many subjects including initiative and integrity in the ministry. Please pray for each of these families as they continue to prepare for the work God has called them to do. Also, pray that God will continue to send more laborers into His harvest.

God is greatly working here in Burkina Faso! The church is growing and thriving and we are getting ready for our next steps. The Lord has opened an opportunity for us to kick off a new church plant in the new community called Kombissiri. We have been working out the details in the last few months and we are finally ready to pull the trigger. We have found property for the church in Kombissiri. We need \$20,000 to purchase this piece of property. Pray that God will provide for this new church plant.

### Vacation Bible School:

In June we had our annual **Vacation Bible School** for the kids of our community at Zinguedesse. We started on Thursday and ran through Sunday morning. **We had around 300 children attend each day and over the 4 days, we had 47 professions of faith.** This was the largest kids' event we have ever hosted at the church. I was really proud of the way our members came to serve in so many different capacities. We had a group of ladies cooking, a team of captains that helped lead the teams, and a group of referees and game organizers to host the event. The kids memorized 10 new Bible verses and heard a gospel presentation each day. The Lord greatly blessed!
