Church update:

In August our church participated in 2 camps, one for teens and one for young adults. The first camp was for those 18 and up and we had a good group participate. Pastor Chris Hewett preached on “Who will go?” and many made decisions for Christ. The second camp was for teens 13-17 and the preaching was divided by different pastors and missionaries here in Burkina. **One young man (Johnathan) from our church felt called to preach and plans to begin Bible college in January.**

Our church is steadily growing and making progress in many different areas, especially in the area of evangelism. **Each week, around 15-20 people go door to door to share the gospel in our community and invite people to church.** We now have 8 people who have completed our evangelism course and are comfortable leading people through the gospel. We are working each week to continue to train others and involve the whole church in this vital ministry.

Land Updates:

Kombissiri

Next week we will baptize the first convert from the church plant at Kombissiri. It is exciting to see the Lord continue to work out the details for this church plant. We had an additional \$3500 given towards this project which means **we only need \$14,500 to finish paying off the land and get the paperwork started.** Thank you so much for your prayers and support.

Maranatha Baptist Church

We had a few delays with purchasing the Land for the Maranatha Baptist Church but as of this **month the land is officially purchased and the paperwork is filed.** Thank you for your support, prayers and generous gifts. I will send pictures of the land in our next update.

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for the community of Kombissiri to be reached with the gospel
- Pray for Johnathan as he prepares to start Bible college in January
