Family update:

Our family participated in a biennial regional conference with our mission board in October. These conferences allow us to meet with leadership for training classes, counsel, and fellowship. It was great to see many of our missionary friends who work in other areas of Africa. We were encouraged and refreshed for the work ahead of us in the coming months. **Thank you for your faithful prayer and support of our family.**

The Lord continues to provide for and bless the new church plant in Kombissiri. I am very excited to announce that **we have received all the funds we need to finalize the purchase of the land for this church.** The land is now officially ours. Thank you so much to all those who gave so sacrificially to help with this ministry. Last month another man gave his life to Christ after a Sunday morning service. Please continue to pray that the Lord would allow us to see many souls saved in this needy area.

Ministry update:

One of the newest ministries of Victory Baptist church in Zinguedesse in an outreach program for the some of the most impoverished members of our community. The program involves partnering with poverty-stricken families to make sure their kids are properly cared for and that they get enough to eat. We have already saved some of the children that would have very likely died from malnutrition or sickness. Currently we have 90 families involved in the program and each month they have activities at the church where we share the gospel, doctors' visits, hot meals and a home visit. Last month we took a group on an outing to a nearby animal reserve where they saw local animals and we had a chance to share the gospel. **We have seen a few of the mother's already trust Christ as their savior and we pray that the Lord would allow us to see the rest come to Christ.**

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for the community of Kombissiri to be reached with the gospel
- Pray for the families of Victory outreach program
