Church update:

The church plant in Zingudesse continues to progress and move toward self-sustainability. There is a growing core of truly faithful members that are in complete agreement with our doctrine and motivated to see the church fulfill its mission given by God. The construction project continues to progress and should be finished soon. We plan to officially constitute the church next year. Thank you so much to all those who gave and prayed to see this new work get off the ground.

Visitors and Salvation:

At Victory Baptist Church of Zingudesse, we continue to see regular visitors and people trusting Christ as their savior. I would like to ask for specific prayer for 2 men who have been visiting the church lately. The first, Paul, was displaced by terrorism and ended up settling in our area, the Lord is dealing with him but he has not yet trusted Christ. The second, Abdoul is a Fulani man from a Muslim family. They both have come to church for the last few weeks. Please pray that they will trust Christ.

Newest Member:

One of the church's newest members just had a baby. Salif has been coming to church for a few months now and he had been asking for prayer for his wife who was pregnant. Last month she gave birth to a healthy baby boy. The church collected soap (a very traditional gift for newborn babies in our country) and brought it to present to the family. Since Salif has been coming his wife has not yet visited the church. Please pray for her as she adjusts to having another baby to take care of. Her husband has also been asking for prayer each week during prayer requests for her to come to church so she can hear the gospel. Please pray for her and for our church as we strive to share the gospel with her.

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zingudesse
- Pray for the community of Kombissiri to be reached with the gospel
- Pray for Paul and Abdoul to understand and accept the gospel
