**Church update:**

The men from Victory Baptist Church of Zingudesse planned a year-end outing and we had a great time of fellowship together. We grilled out, made a traditional African Tea, and played games all day while enjoying the time together in fellowship. **Please continue to pray for this group of men as we seek to serve the Lord and lead our families.**

First, I would like to thank everyone for your incredible generosity during the Christmas season. We had so many people send extra support and gifts this Christmas. Thank you so much for your generosity and support. I am very pleased to report that **one of the men that I asked special prayer for received Christ as his personal savior** last month. The church was thrilled to have Paul join us in following Christ with his life. Please continue to pray for his wife as she has not yet come to church.

**Men's Meeting:**

**Christmas in Burkina:**

The month of December is probably the busiest month of the year for our churches here in Burkina. The month is full of holidays like Burkina Independence Day (December 11<sup>th</sup>) and of course Christmas and Year's eve. Since students are out of school and many people get extra time off of work, we plan tons of year-end activities and events at the church. This year was a great success, we had year-end parties for all the Sunday school classes and a special Christmas Eve and New Years Eve service. Please continue to pray for our church as we strive to see more people saved and disciplined in 2025.

**Prayer Requests:**

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for us to see more souls saved, baptized, and disciplined in 2025
